Title of release: MaineSource Grand Opening

Number of pages: 1 X photo included

MaineSource Food & Party Warehouse will open its doors to the public on May 5th. Located at 100 Commercial Drive just off Route 13, MaineSource will provide Tompkins County a new place to buy restaurant-quality meat and seafood, fresh produce, party supplies for all occasions, and a complete line of smallwares and kitchen gadgets. The grand opening celebration continues on May 8th between noon and 2PM with a 4 station simulcast sponsored by Cayuga Radio Group and will include demos and give-aways.

Maines was founded in 1919 in Binghamton and started by selling nickel candy to local groceries. In the forties, the business expanded to include fountain supplies, toys and paper products. And in the seventies Maines expanded again to include frozen and canned goods, beverage items and cleaning supplies.

In 1984, Maines opened its first Cash & Carry which later became known as MaineSource Food & Party Warehouse. Since then they have become famous in the region for their expansive meat selection, fresh produce, broad selection of smallwares and kitchen gadgets, and party supplies for all major holidays and events.

During the opening weeks there will be product demos and ongoing giveaways. To find out when the demos are go to <http://www.facebook.com/maineSource>

For more information, call Margaret Tatich, Marketing Director, MaineSource Food & Party Warehouse. 607-779-1606
