

ZERO TRANS FAT*

EverFry[®] Free

PREMIUM MULTI-PURPOSE OIL

A premium, multi-purpose oil
with **zero grams trans fat**
per serving!

Extra Long Fry-Life • Superior Finished Food Quality

Advantages

Benefits

Provides the ultimate in fried food quality	Assurance of satisfied customers means more repeat business
No trans fats	Answers concerns of many customers seeking healthier food options
100% low linolenic canola oil	Nonsaturated, all vegetable oil provides the lowest level of saturated fats – appeals to today's healthier eating trends
No flavor transfer	You are able to fry a great variety of foods without fear of transferring flavors from one food to another – providing greater use of oil
All purpose oil	EverFry Free can be used for all kitchen applications – deep frying, sauté work, as an ingredient in cooking and salads – providing great versatility
Clear at room temperature	Allows easy filtering of oil at ambient temperature – enhancing workplace safety
Long fry life	Longer fry life provides greater value and lowers actual oil costs

Helpful Fry Management Tips

- For perfectly fried foods, maintain the correct oil temperature, keeping food moist inside and golden outside.
- Make sure pieces are uniform in size so that they finish cooking in approximately the same amount of time.
- Use a skimmer to remove particles of food from the surface of the oil to prevent food from burning and to extend the life of the oil.
- Salt or season foods after they have been fried and moved away from the cooking area to prevent oil contamination.
- Once fried, foods should be served immediately.

EverFry® Free Product Specifications

- EverFry® Free has Kosher Certification
- Smoke Point is 450 - 460
