

GET TO KNOW

MAINESOURCE

FOOD & PARTY WAREHOUSE

A Powerful Resource For your Restaurant

MaineSource is here for YOUR convenience whenever you need a fill-in, extra products and equipment for a catering event, or if you run out of inventory due to an unexpected surge in business (not a bad problem to have!).

WHEN YOU ARRIVE

When you walk into MaineSource, first grab a Hot Sheet loaded with the week's specials just for restaurant owners. You can also visit MaineSource.net to preview and print the Hot Sheet. Hot Sheet items are hand-picked to deliver great value and introduce you to new products as well.

WHAT YOU'LL FIND AT MAINESOURCE!

MaineSource is essentially a smaller version of the Maines warehouse in a retail format designed for easy browsing. You'll find the same products and brands you order from Maines in both cases and splits, making MaineSource the ideal solution for a fill-in.

Fresh Produce Marketplace: Just as Maines Produce Express offers daily delivery of the freshest fruits and vegetables, MaineSource provides a full selection of produce, harvested at peak perfection!

Meat City: beef, veal, pork, wild game, lamb, seafood, and poultry

Frozen Section: Gourmet desserts, entrees, ready-to-bake breads and doughs, appetizers and more!

Paper & Disposables: Takeout containers; paper plates, napkins, cups, stirrers, and more

Kitchen Gadgets, Equipment and Chemicals: From pots and pans to chaffing dishes, coffee machines to cleaning supplies – it's all available at MaineSource.

Party Supplies: Table décor, signage, streamers, and a balloon center; perfect for special events

Dry Grocery: From salt and pepper to exotic spice blends, and from simple syrup to gourmet dressings - access a full line of quality dry groceries

Dairy: Grab your dairy essentials: milk, cream, cheeses, butter, and yogurt

YOUR SOURCE FOR INSPIRATION

MaineSource can be a source of inspiration: Stroll through the aisles and see all the innovative takeout packaging available. Preview the wide range of Signature Brand products. And test out the latest kitchen equipment. If you're near the Camillus MaineSource, schedule a product cutting with your Account Manager or a member of the Maines Culinary Team (see page 16) in the state-of-the-art Test Kitchen.

NEED SOMETHING SPECIFIC? SEE CUSTOMER SERVICE!

The MaineSource staff is just as customer-focused as your Maines team. If you're looking for a particular item or need assistance, see a trained MaineSource associate who can place a special order.
